

Great service,
no gaps

Trihawk Talon 12 Bur

Cuts through porcelain,
metal, amalgam, enamel.

Remove 6 crowns in
less than 1 minute

Single Use

Save time using blunt burs and money
cleaning, storing and tracking them!

Time Saving

This bur could literally save you 1000s of
precious minutes per year compared to
conventional burs

Patient Comfort

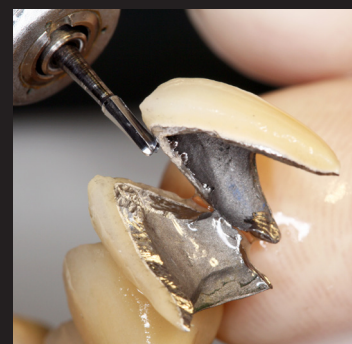

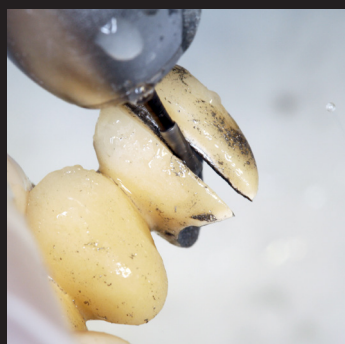

A lot less chair time and far less vibration –
less user fatigue too!

Save Money

This bur can do what 4 or 5 conventional
burs can do and in a fraction of the time

**One Bur
does it
all**
